February 2018****John's Jargon**

Hi fellow classic Holden enthusiasts,

Most cars are in hibernation for the wet season although the February meet at Fisherman's Wharf did see a lot of cars out. Once again autos never seen before.

I understand the Coffee, Cars and Cakes at Howard Springs is still very popular.

Australia Day Ute Run – Whilst not a club organised event any more I did take it on to organise the Hidden Valley end due to Variety going thru an employee transition with all new staff on board at the last minute. Thank you to those members who assisted on the day – Jack & Maureen Burr, Peter and Barb O'Sullivan, Ian Campbell, George Shepherd, Craig Garraway, Adam Mahomet, Peter Skehan, John Sampson, Clint Coulston, Allan Arthus, & Nick Simeon. Apologies if I have missed any one.

The end this year was at Noonamah Tavern and it was a fantastic venue with a huge crowd enjoying the entertainment.

I attended a Variety Wash Up meeting last week and Variety the children's charity raised over \$25,000 from the event, a great result with less work.

Whilst at the meeting I volunteered to organise the Hidden Valley start next year, in anticipation I can get club members support once again. I know a few of you have already put up your hand, great and thank you.

Club Meeting 13th February resolutions.

- Bank balance still healthy.
- Welcome to Andy Patsalou, Carla Webber and Robert Neve as new members.
- Facebook – Casel advised the new Facebook page is up and running and members are being invited to join. This process will take a little while and once everyone has been invited the old Facebook will be closed.
- Shannons Insurance have ceased sponsoring the Insurance on the club trailer.
- All other matters pertained to organising future events up to and including June.

Thanks to Ian Menzies for joining us.

One of our own members, Wilko is still chairing the organising committee for the Darwin to the Doo, good on you Wilko. More to come on this great event being held in July.

I hope you enjoyed the knowledge quiz In the last edition. Please find the answers below and the next set of questions. If you have any trivia to add please send it in.

There is plenty of activity coming up so we can get our fantastic classics out and enjoy each other's company so you all soon.

Happy Motoring.

John Palamountain  
President
